Dear Lyudmyla Kozlovska,

I would like to thank you for your letter sent on 22 June 2015 to Minister Koenders regarding the EU sanctions imposed on the Russian Federation in relation to its involvement in the crisis in Ukraine. I have been requested to respond on his behalf.

I can inform you that the EU sanctions are fully implemented by the Dutch government. Dutch companies are informed about this by the RVO, the National Office for Entrepreneurs in the Netherlands.
